### Chairs for the "Full Crew"

Railroad companies operating in states where "full crew" laws have been enacted have provided a chair in the caboose for the extra member of the train crew and made a stringent rule that that he is not to stir out of that chair from start to destination. Railroad men explain that a trainman with nothing to do is likely to engage the busy members of the crew in conversation and distract their attention from their duties. And not only that, but unnecessary division of responsibility among too many men is said to be inimical to discipline and an element of danger in the movement of trains.

## Church Notes

### Christian Church

Number Present Today 303 Offering \$14.97

This was the announcement on the blackboard Sunday after the final count was made. It was Rally Day, the culmination of earnest efforts that had been made the week before and the people came in some cases whole families. Children were there, strong men and women also came. Seated on the platform the sunbeam chorus of the primary children presented a bright happy scene. The men's class, sixty-three strong, seated out under the sycamore tree, and the women's Class with seventy-one, were a great inspiration.

The singing led by the orchestra and Mr. J. R. Rash, with the duet by Sarah and Tommie Featherstone were all heartily enjoyed.

To no one more than another belongs the credit for such splendid results, for all from the least to the greatest worked with a determination, and all from Superintendent to the primary tot were happy. It only shows that the field is yet untouched by the Sunday School forces of the city, and that enthusiastic effort will interest them.

The church building with its new coat of varnish, and papering was in harmony with the occasion. The morning sermon, "The Teaching Function of the Church," was also fitting. There were five additions to the church during the day.

### Home For Sale

### Attendance Very Good at Methodist Sunday School

Our attendance on last Sunday at the M. E. Church, South, Sunday School was with 210 present.

This attendance doubled that of one year ago, and each Sunday there are more new pupils.

The collection also was very good \$8.20 was the amount. Fifty-five Bibles were among the different classes, the little folks as well as the older ones are very much interested in the good work going. And each one is trying to make better attendance, and the lessons more interesting.

We have some good teachers who make it pleasant and interesting for you. Come out next Sunday and bring some one with you. We will give you a cordial welcome.

### Helped To Keep Down Expenses

Mrs. J. E. Henry, Akron, Mich., tells how she did so: "I was bothered with my kidneys and had to go nearly double. "For weak back, backache, rheumatism, urinary and kidney troubles use Foley Kidney Pills. They help quickly. - St. Bernard Mining Co., Incorporated Drug Department.

There were a number of visitors. Every one reported a splendid time. Walker and Ray furnished the music.

### MAN COUGHS AND BREAKS RIBS

After frightful coughing spell a man in Neenah, Wis., felt terrible pains in his side and his doctor found two ribs had been broken. What a agony Dr. King's New Discovery would have saved him. "I feel sure its a Godsend to humanity," writes Mrs. Effie Morton Columbia, Mo. "For I believe I would have consumption to day, if I had not used this great remedy. Its guaranteed to satisfy and you can get a free trial bottle, or 50-cent or \$1.00 size at all druggists.

## FACT

### Local Evidence

Evidence that can be verified.

Fact is what we want.

Opinion is not enough.

Opinions differ.

Here's an Earlington fact.

You can test it.

Mrs. Mollie Clements, Earlington, Ky., says: I was in such great pain from kidney trouble that I had to scream aloud. The pains seemed more than I could endure. After every doctor in this locality had failed to help me, I used Doan's Kidney Pills and they did wonders for me. I do not know what caused my kidney trouble. My back was so lame and sore that I had to catch hold of chairs when walking. My limbs were swollen and my sight became affected. I was also nervous and dizzy and my head ached nearly all the time. One day a relative called on me and asked me if I had ever used Doan's Kidney Pills. She said if three boxes of Doan's Kidney Pills did not do any good she would pay for them and insisted so persistently that at last I got some. They made me feel much better in every way. I believe that they saved my life. I am now entirely cured and enjoying better health than I have been for years.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### Ever Notice It?

The young woman who devotes her thoughts to higher criticism and logic and ethical culture is the one who gets thoroughly rested at a country club dance, while the silly, floundering girl with the contagious giggle is the one who splits her waltzes into three parts.

Constipation causes headache, indigestion, dizziness, drowsiness. For a mild, opening medicine, use Doan's Regulator. 25c a box at all stores.

## The Glad Toilers

The willing worker doesn't languish among the wailing unemployed; his cottage doesn't reek with anguish, his larder knows no aching void. I hired a man to wash my surrey which got all mucky in a ditch, he gave up all his time to worry o'er vices of the idle rich. He boomed away like some pipe organ denouncing this and roasting that, and throwing things at J. Pierpont Morgan and every other plutocrat. And so I fired him through the transom when he had loafed for half a day, and hired Jim Briggs to wash my hansom, and rid its shining wheels of clay. With noble ire he never bristled, his soul with sorrow wasn't sour; he merely hustled round and whistled and cleaned the blamed rig in an hour. And old Jim Briggs is always busy, for men who want a useful hand just chase him round till they are dizzy, and hand him coin to beat the band.—Walt Mason, in Duluth News-Tribune.

## Suffered Twenty-One Years— Finally Found Relief.

Having suffered for twenty-one years with a pain in my side, I finally have found relief in Dr. Kilmer's Swamp-Root. The physicians called it "Mother's Pain" and injections of morphine were my only relief for short periods of time. I became so sick that I had to undergo a surgical operation in New Orleans, which benefited me for two years. When the same pain came back one day I was so sick that I gave up hopes of living. A friend advised me to try your Swamp-Root and I at once commenced using it. The first bottle did me so much good that I purchased two bottles. I am now on my second bottle and feeling like a new woman. I passed a gravel stone as large as a big red bean and several small ones. I have not had the least feeling of pain since taking your Swamp-Root and feel it my duty to recommend this great medicine to all suffering humanity. Gratefully yours,

MRS. JOSEPH CONSTANCE, Avoyelles Par. Marksville, La.  
Personally appeared before me, this 15th day of July, 1911, Mrs. Joseph Constance, who subscribed the above statement and made oath that the same is true in substance and in fact.
